ROOF TOP TRANSPORT KIT

Installation & Loading Instructions - Please Read Before Beginning

Veillez lire les instructions avant d'entreprendre l'installation et le chargement

IMPORTANT WARNING: All vehicular transports are potentially hazardous. Any person(s) using Malone products are personally responsible for following the given directions for use and/or installation and accepts full responsibility for any and all damages or injury of any kind including death, which may result from their use and/or installation.

It is critical that all Malone racks and accessories be properly and securely attached to your vehicle. Improper attachment could result in a serious accident, and could cause serious bodily injury or death to you or to others. You are responsible for securing the racks and accessories to your car, checking the attachment's prior to use, and periodically inspecting the products for adjustment, wear, and damage.

You must read and understand all of the instructions and cautions supplied with your Malone products(s) prior to installation or use. If you do not understand all of the instructions and cautions, or, if you have no mechanical experience and are not thoroughly familiar with the installation procedures, you should have the product installed by a professional installer.

MISE EN GARDE IMPORTANTE: Tout transport d'un chargement sur le toit d'un véhicule est potentiellement dangereux. Une personne qui utilise les produits Malone doit suivre sans faute les instructions d'installation et d'utilisation fournies et assume l'entière responsabilité pour tout dommage ou toute blessure, y compris un décès, pouvant résulter d'une telle installation ou utilisation.

Il est essentiel de fixer correctement et solidement les supports et les accessoires à votre véhicule. Une mauvaise installation ou attache pourrait provoquer un accident, entraîner des blessures corporelles graves à vous et aux autres et même causer la mort. Vous avez la responsabilité de fixer solidement les supports et les accessoires à votre véhicule, de vérifier l'installation avant l'utilisation et d'inspecter périodiquement le produit pour déceler tout signe d'usure ou de dommage ou tout problème d'ajustement.

Vous devez lire et comprendre les instructions et les mises en garde fournies avec les produits Malone avant l'installation et l'utilisation. Si vous ne comprenez pas les instructions et les mises en garde ou si vous ne possédez pas d'expérience en mécanique et ne connaissez pas à fond les procédures à suivre d'installation, vous devriez faire monter et poser le produit par un installateur professionnel.

KAYAK CARRIER

ROOF TOP TRANSPORT KIT

Safety Tied-downs (2)

Kayak Blocks (2)

Load Straps (2)

- **For vehicles with cross rails: Fit the Blocks onto the cross bars with the bottom profile of each block fully inserted over each bar, and loosely add the load straps around the cross rails. Note: Cross rails should be a minimum of 24" apart.**

- **For vehicles without cross rails: Place the 2 foam blocks onto the roof of the vehicle. Locate blocks as close to front and rear of vehicle roof as possible. Note: First clean the roof of all dirt and dust.**

- **For vehicles with cross rails: Place the kayak onto the Blocks so that it is aligned and the weight of the kayak is evenly distributed on each Block.**

- **For vehicles without cross rails: Reposition the blocks until the kayak weight is evenly distributed on each block.**

MALONE[®]

CHANGING THE WAY YOU GET THERE

- *For vehicles with cross rails: Place the strap loops over the kayak so that each loop is positioned directly over a foam block. Pull the free end of each strap down until the buckles are positioned half way up the side of the kayak. Thread the free strap ends around the cross rail and back through the buckles. Pulling down to tighten.*

- *For vehicles without cross rails: Open the vehicle's doors and throw the non-buckle end of the 15' load straps up and over the middle of the kayak and down to the other side of the vehicle. Pull both ends together and buckle from the inside of the vehicle. Confirm the strap is tight & secure.*

- *Attach the hook to the 1/4" tie-down rope. Secure the hook and rope to the forward (bow) end of the kayak.*
- *Pull the free end down and secure to front of the vehicle. Repeat for the rear (stern) end of the kayak and vehicle.*
- *Confirm the front and rear tie-downs are tight and kayak is firmly secured to vehicle. Check set-up after 5 miles.*

Bow and stern safety tie-downs are required for all Malone rooftop transport(s). Failure to correctly install and use safety tie-down lines voids all warranty and liability.

CHANGING THE WAY YOU GET THERE

MPG306 BOW & STERN LINE KIT

NOTE: NOT REQUIRED ON TRAILER PACKAGES

Attach hook to rope (steps A-D)

Thread free end of cord through hook.

Create a "left over right" knot & tighten.

Create a "right over left" knot & tighten.

Pull to test for knot strength.

Attach and dress rope to vehicle and boat (steps E-O)

Attach S-hook to vehicle tow ring or other sturdy body part.

Keeping the rope tight and S-hook in place, thread the free end up and through a strong point on the kayak

Make a loop in the rope 12" to 14" away from the kayak or canoe.

Bend the loop over leaving a large opening as shown.

Pass the loop through the opening.

Pull to create a tight knot.

Thread the free end of the rope through the loop.

Pull the free end up until the rope is sufficiently tight.

Hold the rope secure with one hand.

Form a knot with the free end and tighten. Form a second knot for safety purposes.

The line should be tight and secure. Repeat for second tie-down.

MALONE[®]

CHANGING THE WAY YOU GET THERE

Limited One (1) Year Warranty

The Malone Auto Racks (Malone) Limited 1 Year Warranty covers certain Malone-brand products that have been specifically identified for inclusion in the program. This warranty is in effect for one (1) year, from the time of sale, for the original retail purchaser of the product. This warranty is terminated if the original retail purchaser sells or otherwise transfers the product to any other person or entity.

Subject to the limitations and exclusions described in this warranty, Malone will remedy defects in materials and/or workmanship by repairing or replacing, at its option, a defective product without charge for parts or labor. Malone may elect, at its option, not to repair or replace a defective product but rather issue to the original retail purchaser a refund equal to the purchase price paid for the product, or credit to be used toward the purchase of a replacement Malone product.

This warranty does not cover, and no warranty is given for defects or problems caused by normal wear and tear, which includes, but is not limited to, surface (aesthetic) metal corrosion, scratches, dents, deformities, accidents, unlawful vehicle operation, or any modification of a product not performed or authorized in writing by Malone.

In addition, this warranty does not cover problems resulting from conditions beyond Malone's control including, but not limited to, theft, misuse, overloading, or failure to assemble, mount or use the product in accordance with Malone's written instructions or guidelines included with the product provided to the original retail purchaser.

No warranty is given for Malone products purchased outside of the continental United States, Canada and Mexico.

If the product is believed to be defective, the original retail purchaser should contact the Malone dealer from whom it was purchased, who will give the original retail purchaser instructions on how to proceed. If the original retail purchaser is unable to contact the Malone dealer, or the dealer is not able to remedy the defect, the original retail purchaser should contact Malone by email at support@maloneautoracks.com.

In the event that the product must be returned to Malone, a technician at the email address above will provide the original purchaser with return shipping instructions. The original purchaser will be responsible for the cost of mailing the product to Malone. In order to be eligible to receive any remedy under this warranty, a copy of the original purchase receipt, a description of the defect and a return address must be provided.

Disclaimer of Liability

Repair or replacement of a defective product, or the issue of a refund or credit (as determined by Malone) is the original retail purchaser's sole and exclusive remedy under this warranty. Damage to original purchaser's vehicle, cargo, or property, and/ or to any other person or property is not covered by this warranty.

This warranty is expressly made in lieu of any and all other warranties, express or implied, including the warranties of merchantability and fitness of a particular purpose

Malone's sole liability to any purchaser is limited to the remedy set forth above. In no event will Malone be liable for any direct, indirect, consequential, incidental, special, exemplary, or punitive damages , or, for any other damages of any kind or nature (including but not limited to, lost profits, lost income or lost sales).

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations may not be applicable.

In addition, all vehicular transports are potentially hazardous. Any person(s) using Malone products are personally responsible for following the given directions for use and/or installation and accepts full responsibility for any and all damages or injury of any kind including death, which may result from their use and/or installation.
