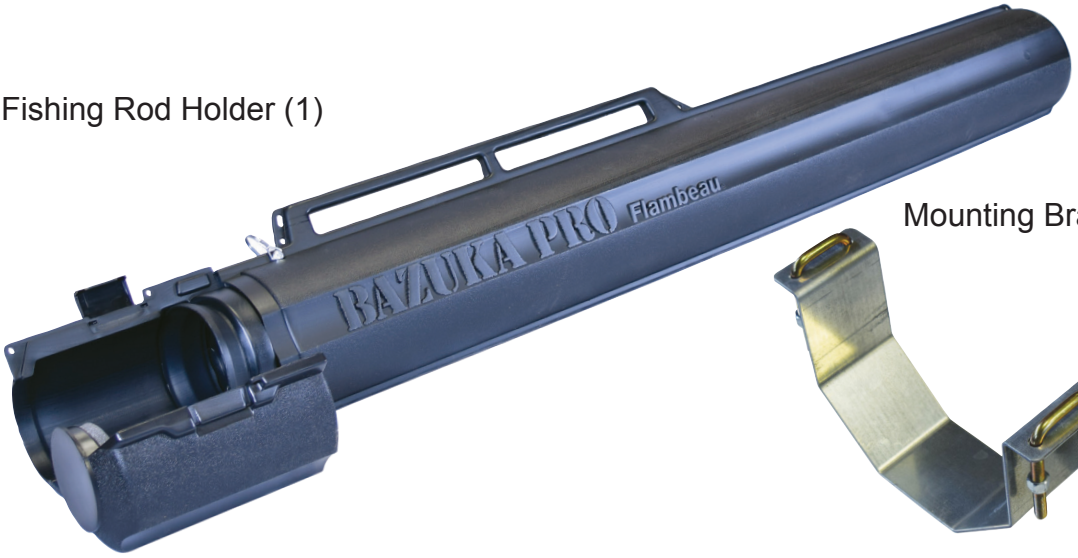
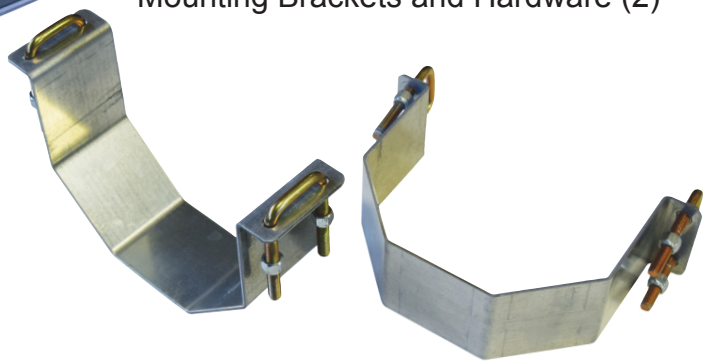
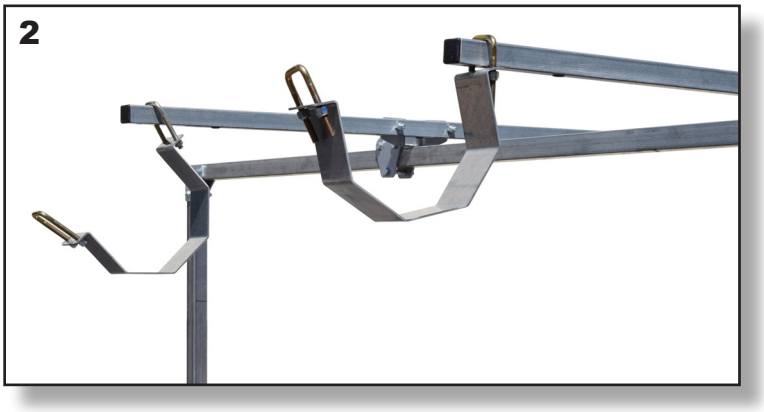
Fishing Rod Holder (1)



Mounting Brackets and Hardware (2)



1). Begin by dropping the U-bolts down through the mounting brackets and loosely apply the nylon nuts. Leave loose.



2). Drape the assembled brackets over the ends of the cross bars. Leaving them accessible.

3). Now place the rod holder in the brackets with the opening at the rear of the trailer. We want it facing this direction for travel to avoid any water migrating inside.

4). Slide the remaining U-bolts over the ends of the cross bars, fully attaching the brackets to the cross bars.

5). Check, and rotate the rod holder so the access door opens along the top, at the rear of the trailer.

6). Use the cotter pin to adjust the length of the rod holder for your specific rods.

7). To complete, Make sure the rod holder is straight and fully tighten all the brackets.

Limited Five (5) Year Warranty

The Malone Auto Racks (Malone) Limited 5 Year Warranty covers certain Malone-brand products that have been specifically identified for inclusion in the program. This warranty is in effect for five (5) years, from the time of sale, for the original retail purchaser of the product. This warranty is terminated after five years from the date of purchase, or, when the original retail purchaser sells or otherwise transfers the product to any other person or entity during the five year warranty period.

Subject to the limitations and exclusions described in this warranty, Malone will remedy defects in materials and/or workmanship by repairing or replacing, at its option, a defective product without charge for parts or labor. Malone may elect, at its option, not to repair or replace a defective product but rather issue to the original retail purchaser a refund equal to the purchase price paid for the product, or credit to be used toward the purchase of a replacement Malone product.

This warranty does not cover, and no warranty is given for defects or problems caused by normal wear and tear, which includes, but is not limited to, surface (aesthetic) metal corrosion, scratches, dents, deformities, accidents, unlawful vehicle operation, or any modification of a product not performed or authorized in writing by Malone.

In addition, this warranty does not cover problems resulting from conditions beyond Malone's control including, but not limited to, theft, misuse, overloading, or failure to assemble, mount or use the product in accordance with Malone's written instructions or guidelines included with the product provided to the original retail purchaser.

If the product is believed to be defective, the original retail purchaser should contact the Malone dealer from whom it was purchased, who will give the original retail purchaser instructions on how to proceed. If the original retail purchaser is unable to contact the Malone dealer, or the dealer is not able to remedy the defect, the original retail purchaser should contact Malone by email at *technical@maloneautoracks.com.*

In the event that the product must be returned to Malone, a technician at the email address above will provide the original purchaser with return shipping instructions. In order to be eligible to receive any remedy under this warranty, a copy of the original purchase receipt, a description of the defect and a return address must be provided.
